

DECEMBER 2018

Dear Parent,

It's December and we look forward to celebrating this "Most Wonderful Time of the Year" with our classes. We have many activities planned and especially look forward to teaching your children about the First Christmas. Since December is a short month with a lot to squeeze in, we will not be doing Show N Tell but will resume it in January. Please see our web site for a daily post of our activities, books, and songs.

Our Christmas program for all classes is scheduled for Tuesday, December 18, 6:30 p.m., in the Holy Family Church. The program will last approximately 30-45 minutes and will include punch and snack following our performance. We ask that each family bring 1 dozen cookies, muffins, donuts, or snack to Enright Hall (church basement) before the program begins to be shared afterwards. We ask that your children be in Enright Hall by 6:15 so we can start promptly at 6:30. All family and friends are invited to attend this special event.

Just a reminder, please send hats and mittens with your children. We have monthly fire drills and will go outside to play if the weather permits us the opportunity. Snow boots and snow pants are required for all children who are here all day for daycare. Mittens are greatly encouraged as they promote independence. It is very time consuming for the teachers to assist in putting on 16 pairs of gloves--that would be 160 tiny fingers that do not want to go in the right hole! Also, if boots are worn to school, they **MUST** bring shoes to change into.

Wishing you and your family a Happy, Healthy, and Holy Holiday Season!
