

APRIL 2024

Dear Parents,

Spring has finally arrived and that means our classroom is "bursting" with excitement. Our unit this month is "Down on the Farm". We will be learning about farm animal names and how the animals help us. We will learn about what grows on the farm and the farmer's work. We will also continue to learn about Weather, Spring, and Earth Day.

We will continue with Show-N-Tell this month and our theme will be something that comes from a farm. Please help your child choose one item that lives, works, or grows on a farm.

We are looking forward to sunny April days and ask that you dress your children for outside play. Please send your child with a coat for chilly mornings. Since outside play may include running and playing on the playground equipment, shoes must have a back on them and stay/fit on their feet for safety reasons. Tennis shoes are the safest and best shoe for playing outside.

Miss Cassandra Collum
Mrs. Sara Sharp
Miss Christina Fox
Miss Maggie Fitzgibbon
Ms. Tara Rericha

Important Dates:

April 1, Monday
April 8, Monday

School Closed/Easter Monday, Tuition Due
We will operate as a normal preschool day.
