

# MAY 2024

Dear Parents,

It's hard to believe that May has arrived!! The closing of the school year is near and that means that we have a very busy month ahead of us. The title of our May unit is "Community Helpers". We will be talking about the clothes they wear, and the transportation they drive. We will also be talking about May flowers, Insects, Mother's Day, and learn about different ways people in our community help us by looking around our own neighborhood.

We are very proud of our classes. Many thanks go out to all our parents for their help and support this year with class parties, fundraisers, Show-N-Tell, and donations to the Gala. We are blessed to have such caring and giving parents who have helped whenever asked. Most of all, thank you for sharing your child with our Teddy Bear Club staff. We have had an awesome year and feel honored to have participated in the growth and development of your preschooler.

Our classes will graduate on Wednesday, May 22, at 6:15 p.m., in Holy Family Church. The ceremony will consist of songs, diplomas, refreshments, and will last approximately 45 minutes. Our classes have been practicing our graduation songs and look forward to performing for all who would like to attend. Please drop your child off in Enright Hall (church basement) at 6:00p.m.

**The last day for preschool is Friday, May 24.** Just a reminder all tuition must be paid prior to our graduation. If your child will not be here on May 23 or 24, let us know ahead of time.

Miss Cassandra Collum  
Mrs. Sara Sharp  
Miss Christina Fox  
Miss Maggie Fitzgibbon  
Ms. Tara Rericha
